

Apostolic Restoration Ministries began in the heart of Apostle Peter Vacca in 2005 through a series of prophetic words that were spoken over his life at a gathering of Apostles and prophets in that year. The School was introduced

“To teach, train and release disciples back into the local church for effective ministry to the body of Christ.”

Module 5

Bible Infallibility 4 sessions

Proved through the subjects of Bible origins, prophecy, science and numbers. This is a four session module giving you an understanding about the amazing contents of the Bible. It will equip you to be excited yourself and to excite others in the infallibility of the Bible. You can be sure that the Bible is the Word of God.

1. **Why believe the Bible.** The origins, authenticity and facts contained in the Bible will stop the unbeliever and give them an inkling of the Bible's divine nature.
2. **Bible and Science.** The Bible was not written as a science textbook, but when the Bible does reveal truths related to science, the Bible can be trusted. Indeed, it demonstrates scientific knowledge and concepts long before mankind had developed the technological base for such knowledge. Biologist William J, Cairney discusses many such biblical pre-science evidences in the fields of Human health, disease control, agriculture, etc. Come and be equipped to have answers for atheists, agnostics and believers of other religions. This straight forward module will give you simple concepts to confound the unbeliever.
3. **Bible and Prophecy.** What value has Bible Prophecy? There are many accurately fulfilled predictions in the Bible including over 200 specific details about the life, death, and resurrection of Christ. The Bible contains page after page of history written in advance, The sceptic must come to grips with this evidence. You will be equipped with evidence of fulfilled prophecy in relation to "The Signs of The Times", Cyrus mentioned 120 years before he was born, the destruction of Babylon, Tyre and Petra as well as the world history being foretold, in a series of Power-Point lectures that will be a valuable resource for the rest of your Christian life.
4. **Bible and Numbers.** The Nobel Research foundation of Los Angeles, USA looked at the statement 'The Bible could not possibly have been written except by inspiration of God Himself.' The foundation stated 'so far as our investigation has proceeded, we find the evidence overwhelmingly in favour of such a statement'. Have you noticed how numbers are repeated in the Bible? Come and be equipped in simple terms how mathematics underlines the Bible. It will captivate those who you speak to.

Christian Growth

From the time we're born again God expects us to grow. The word of God says that we must be transformed by the renewing of our minds. We come to God with years of baggage and we need to let go of the old man and become a new creation. This does not happen over night. *These courses will teach you to:*

**Renew your mind
Let go of the past
Build a positive future**

When we have experienced freedom in Christ —WOW—what a force to be reckoned with!

*The 5 modules are made up of a total of 36 sessions each with a duration of one hour. Each of the module contents are given in the separate flyers. The participants at the completion of each module will be presented with a "Certificate of Practical Completion". At the completion of all five modules the participants will be issued with a "**Diploma in Christian Growth**".*

The facilitators of the course are Ps Ray and Demie Ledger
