## Module 3 *Supernatural*

7 sessions

This module will look at the nine gifts of the Holy Spirit (1Cor 12:4-11). You will also be taught how to activate the gifts through hearing God's voice. Do we all hear God's voice? Yes! "My sheep hear My voice" But what is my gifting? Do I have one at all?

Scripture teaches that God has given all Christians spiritual gifts, specially endowed abilities that help them do the work of the ministry enthusiastically and effectively. They are given for the common good of the body of Christ. Spiritual gifts can be discovered and most effectively used in your life when you practice three fundamental principles of **Scripture, Servanthood (1Cor 13:1-3) and Stewardship (1Peter 4:10)**.

You are the church—Christ's body—and your presence in the church makes a difference. When you begin to serve faithfully and responsibly according to God's specific will for your life, you will experience personal fruitfulness and fulfillment and together with other servants, you will shape a church that radiates the life and power of the risen Christ.

In such a church...

The purposes of God are fulfilled.

The word is heard.

Forgiveness is given.

Worship is offered.

Service is rendered.

Needs are met.

Peace is present.

Grace is granted.

The lost are found.

## Leadership Training

*Jesus said 'greater things would we do because He went to the Father'. He also told us to pray, "Your kingdom come, Your will be done, on earth as it is in heaven". We are filled with God's Holy Spirit and hear His voice. We are equipped to work the supernatural; all for the purpose of fulfilling the Great Commission. The modules also cover all aspects of leadership in church, home group, youth, children and worship ministries.*

*The 6 modules are made up of a total of 40 sessions each with a duration of one hour. Each of the module contents are given in the separate flyers. The participants at the completion of each module will be presented with a "Certificate of Practical Completion". At the completion of all six modules the participants will be issued with a "**Diploma in Leadership Training**".*

The facilitators of this course will vary based on the module.
