

Apostolic Restoration Ministries began in the heart of Apostle Peter Vacca in 2005 through a series of prophetic words that were spoken over his life at a gathering of Apostles and prophets in that year. The School was introduced

“To teach, train and release disciples back into the local church for effective ministry to the body of Christ.”

Module 5 *Essentials of Ministry*

7 sessions

Bible colleges deal with theology of scripture, but often, how to run and perform the **day-to-day functions of a church** may be overlooked.

This course will give practical insight and encourage confidence in leaders to do such things as how to:

- Perform marriages, funerals, baptisms and alter calls
- Care for new people
- Lead meetings
- Incorporate the use of technology to support your preaching.

Experts in the mission field will also give practical advice on the do's and don'ts of travelling overseas through missionary work.

Leadership Training

Jesus said 'greater things would we do because He went to the Father'. He also told us to pray, "Your kingdom come, Your will be done, on earth as it is in heaven". We are filled with God's Holy Spirit and hear His voice. We are equipped to work the supernatural; all for the purpose of fulfilling the Great Commission. The modules also cover all aspects of leadership in church, home group, youth, children and worship ministries.

*The 6 modules are made up of a total of 40 sessions each with a duration of one hour. Each of the module contents are given in the separate flyers. The participants at the completion of each module will be presented with a "Certificate of Practical Completion". At the completion of all six modules the participants will be issued with a "**Diploma in Leadership Training**".*

The facilitators of this course will vary based on the module.
