### Module 5 *Healing The Sick*

10 sessions

We all want to show the world what the Father looks like. We want to do the stuff Jesus did. But how do we take the gap between theory and practice and step out to heal the sick?

This 10 session training series combines the teachings of the great faith healers with the practical insights we have gained as we stepped out. Two interactive DVDs, produced by Lee-Anne Benn of Ripe Co, will be used together with group discussions and practical sessions that will revolutionize your thinking in relation to you praying for the sick.

The sessions consist of 10 one and half hour sessions that will equip you for this ministry and consists of the following topics:

1. **Getting Started:** who do you identify with?
2. **Lenses:** Experiences shape the way we see.
3. **Healing and the Kingdom:** The challenges in praying for the sick.
4. **Bigger:** What do you do to fuel your hunger?
5. **Walking with the Spirit of Truth:** God's wonderful provision for healing.

Healing Module to be held at ClearVision Church

## Do You Understand Christian Leadership?

### Leadership Training

*Jesus said 'greater things would we do because He went to the Father'. He also told us to pray, "Your kingdom come, Your will be done, on earth as it is in heaven". We are filled with God's Holy Spirit and hear His voice. We are equipped to work the supernatural; all for the purpose of fulfilling the Great Commission. The modules also cover all aspects of leadership in church, home group, youth, children and worship ministries.*

*The 6 modules are made up of a total of 40 sessions each with a duration of one hour. Each of the module contents are given in the separate flyers. The participants at the completion of each module will be presented with a "Certificate of Practical Completion". At the completion of all six modules the participants will be issued with a "**Diploma in Leadership Training**".*

The facilitators of this course will vary based on the module.
